**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC

Internet prices are already too high and with less competition they will go even higher. As a government agency your mandate is to protect the interests of the people, not the big telecom companies.

Please do your job and allow broadband competition. Its good for all Americans. Remember, people over corporations.
